## **PRIORITY PICKS FOOTBALL CHALLENGE – IV**

Written By: Harry Gribnitz

### *Are You Ready for Some Football?*

*I know it seems like summer has just started. I can still see the Fourth of July fireworks in my imagination. It seems like just last week we were playing bean bags, the ladder game, tossing Frisbees, playing kid's games and removing the "cow pies" from our shoes at the Kent County Youth Fair. Maybe you have just been counting the days for the kids to go back to school.*

*Are you ready for some more football? Are you ready to win some prizes? Welcome to the PRIORITY PICKS FOOTBALL CHALLENGE – IV. Returning for the fourth year, we will once again give you the opportunity to show off your NFL football knowledge or gift of good luck. Last year's winners sometimes had "football expert" written all over their entries. Others won prizes by selecting all the visiting teams, cities with the best shopping or team whose quarterback looked the most like Matt Damon. Some used a very simple system, Bears win and Lions don't.*

*The game is very easy to play. Just go to [www.WestMichiganMortgageHelp.com](http://www.WestMichiganMortgageHelp.com) and find the Priority Picks ICON in the lower right corner of the home page. Clicking the ICON will take you to the page for the Priority Picks Football Challenge. This page provides details on the Rules, lists this weeks prizes and past winners. Just click on the ICON in the upper left corner to Register and Login to Priority Picks. The first time you play, you will need to REGISTER (click Register to Play). Select a USER NAME. This is the name we will be listing when you win, so give it some thought. Mine is CUBBYBEAR. You only need to register one time for the 2007 season. On future visits just LOGIN using your user name and password.*

*Each week select the winning team by marking the "dot" next to your choice. The individuals with the most correct wins. Don't forget to enter the number of points in the Monday Night Football Game. The closest to the total points is the first tie breaker in case of ties.*

*The last three years we have added a traveling trophy in our own office. Since our employees could not compete for your prizes, we decided to allow them to play for the right to proudly display the "World Famous Traveling Trophy" in their work space for the week after their victory. It turned out the competition for the "trophy" was even more heated than the competition for prizes. One week we had a tie for first with two of our employees that just happen to have work areas next to each other. When I was about to go to the last "tie breaker", the coin flip, they decided it was better to share the trophy for the week. After some careful measuring, they agreed on a location.*

*If you have at least five individuals in your office, family or group who would enjoy playing, we would be happy to provide a traveling trophy for your group. I just need you to select a Captain for your competition. Please ask the captain to contact me and we'll work out the details.*
