ARE YOU READY FOR SOME FOOTBALL?

Written By: Harry Gribnitz

Last September we introduced WestMichiganMortgageHelp.com. We also introduced the opportunity to play the PRIORITY PICKS FOOTBALL CHALLENGE. By popular demand, we will once again give you the opportunity to show off your football knowledge, or gift of good luck, with the opening of the 2005 NFL season. Each week is a new contest with multiple prizes. Last year we had several "football experts" that won more than one prize. We also had prize winners who made selections based on unusual criteria such as: all the visiting teams, favorite color uniforms or best cities for shopping.

If you would like to add a little fun to your fall Sundays and win some prizes, please go to WestMichiganMortgageHelp.com to register. Just register once. IT IS VERY IMPORTANT THAT YOU SELECT "HARRY GRIBNITZ" AS YOUR LOAN OFFICER WHEN YOU REGISTER. Select a cool user name when you register. Mine is CUBBYBEAR. Also select your password, provide your full name, phone number and e-mail address. That's it. You only need to login and select the first week's winners!!!! Remember to select the total points in the Monday night game as the tie breaker.

In the following weeks you just need to login through WestMichiganMortgageHelp.com. No need to re-register each week. You will see a list of previous week's winners and the prizes for the coming week. The website has some additional details regarding instructions and rules.

We have a new feature for 2005, the traveling trophy. If at least 10 individuals register and play from a company, we will provide a traveling trophy for the office. Not only will the top selector in the office win bragging rights and possibly weekly prizes, but they will also be able to display the office "traveling trophy" in their work are for the week of their reign. If you have 10 or more people who would like to play, just have the individuals register and select an office "captain". The captain needs to send me an e-mail ay Harry@PriorityMortgageCorp.com with the company name, location and list of participants. We'll contact the captain and make the required arrangements.

GO BEARS,
