Your Home Loan Specialist for Life!

Written By: Harry Gribnitz

Our business is 100% based on referrals from friends, relatives, clients and realtor partners. In order to keep our business completely based of referrals, we must earn your trust everyday.

We promise to guide you through the home loan process. We will answer your questions and help you select the home loan program that best fits your needs.

Our clients say it best:

"Thanks so much for all of your work, time, effort--- but most importantly all of the TLC"

"We want to thank you for all your help through the loan process and being able to close on both homes on the same day was great! Thank you for being at the closing. We've never had a lender present before so that made it more comfortable."

"Your professional ways and easy going manner made obtaining a mortgage seem effortless. Thank you for driving to our bank to obtain additional balance confirmation while we were attending Steve's mother as she underwent major surgery."

"Thank you so much for getting us through the process. Despite all the horror stories we'd heard, you made it so easy."

Recently, I have been very fortunate to add Brenda Schuitema as a business partner. The partnership was formed not just to add Brenda's years of experience and knowledge but to capture her caring spirit for the team. Brenda and the rest of our team are ready to guide you through the home loan process.
